

# The **NEW** Mo Space

A little research will close the great times of the Mo Space at the first floor of Magna Plaza in Amsterdam. This Space served the Movember campaign. All the welcomed guests are asked to share their memories they have about the set up of the Mo Space.

The assumption as well the premise is:

The first impression you had of the space – your stored memory of the Mo Space– must have worked best for you as the visitor. A future space should be built based on your answers to the following questions!

## **QUESTIONNAIRE:**

- 1. WHAT INTERIOR ITEM DO YOU REMEMBER BEST IN THE MO SPACE?**
- 2. WHICH OBJECT DO YOU REMEMBER BEST IN THE MO SPACE?**
- 3. DO YOU HAVE A PERSONAL MEMORY ABOUT THE MO SPACE?**

The memories can be as bizarre as they pop into your mind and as general as they have gotten stuck in your mind.  
Just take your first intention and right it down.
